# City of Phoenix Veterans Initiative

This year, my colleagues on the City Council and I passed the H.E.R.O. Initiative, a program designed to address the high unemployment rate among veterans. As part of the initiative, the city is working with a broad coalition of community stakeholders and employers to host "H.E.R.O. Hiring events." These events are much different than typical job fairs. They are smaller, more personal and our team does extensive groundwork in advance of the events to "pre-match" veteran job seekers and employers to ensure greater job placement. Also, prior to each hiring event, we offer a series of free workshops for veterans to assist with resume translation from military language to civilian, interview skills, and general career readiness.

If you are a veteran, looking for employment, you have come to the right place! Please see below for a listing of hiring events and resume workshops. Register today!

Phoenix Mayor Greg Stanton

---

## **H.E.R.O. Hiring Event** 10 a.m. to 2 p.m. Thursday, Sept. 26, 2013

El Zaribah Shrine 552 N. 40th St., Phoenix

Registration for this hiring event is required. Click on the Veteran Registration/Match Me button below to register. Job seekers who complete the "pre-match" assessment will be emailed the job position match with the company name that they have been matched to prior to the hiring event. Likewise, employers will be given the names of job seekers who have been matched to their companies and will either interview them on site or talk to them directly the day of the event.

Once you've submitted your online registration, a new screen will appear with a link to the enhanced pre-matching questions to increase your chances of getting interviewed and hired. By clicking the link you will be taken through a series of questions to find out more about your likes, preferences and environment in which you are most likely to be successful. For responding you will instantly receive a FREE 23-page talent report helping you to discover your strengths, which you can use in your job search.

For a successful hiring event, plan to attend one of two resume/interview pre-event workshops:

Resume/Interview Pre-event Workshops: 4 to 6 p.m. Tuesday, Sept. 24, 2013, at Phoenix College Downtown Campus, 640 N. First Ave., Room 207, Phoenix, AZ. 6 to 8 p.m. Wednesday, Sept. 25, 2013, at Papago Park Military Reservation, 1335 N. 52nd St., Building M570, Phoenix, AZ.

The Military/Veteran Employment Resource Centers trained staff will provide workshops on resume writing and interviewing skills and techniques. They can assist you with writing your resume or critiquing a resume you currently have. The interview workshop will cover, anatomy of an interview, dress like a winner, body language and body image and how to answer tough interview questions.

Also, attend a workshop one hour before the event to gain valuable tips on how to interact with employers

"Tips for a Successful Hiring Event:

### **9 to 9:50 a.m. Thursday, Sept. 26, 2013, at El Zaribah Shrine, 552 N. 40th St., Phoenix, AZ**

This workshop, one hour before the start of the hiring event, not only will you gain front of the line access to the event, but you will also be given valuable tips right before interacting with employers. You will learn effective strategies to engage with employers, including: making introductions, selling yourself, giving out resumes, taking business cards and saying thank you

If you are an **employer** who would like to participate in an upcoming H.E.R.O. Hiring event, please click on the following link to register: <http://phoenix.gov/econdev/hero/empvendors/index.html>
